

Manning Compassion Center

Each Monday morning the Manning Compassion Center at College Hills assists local families with much needed food. In 2017 the Compassion Center continues to ask each Sunday morning adult class to donate specific items for the pantry each month. Of course you are welcome to bring items for the Compassion Center Food Pantry at any time... when you find a great sale, have extra coupons, or just want to add a few items to your grocery cart to give to those in need. Monetary donations are also always welcomed. Please see *Cherie Ham* if you have any questions.
